

**REQUEST FORM - p.1 of 3.** POST (don't email) to **J. Webster, PO Box 5043, Algester QLD 4115, Australia**

- **Name:** (PRINT) \_\_\_\_\_ **Email:** \_\_\_\_\_
  - **Postal address:** \_\_\_\_\_
  - **Alternative email** (work, family, Hotmail etc.) \_\_\_\_\_
  - **A deposit of** \_\_\_\_\_ [\$50 minimum unless otherwise agreed] is enclosed. *Optional but recommended:* I authorise you to continue if necessary and invoice me for an *additional* sum of \_\_\_\_\_ (in excess of the above deposit), which I will forward promptly on request. Unexpended sums are to be [*delete one*] refunded / held in credit.
  - For requests **posted in Aug/Sept 2008**, an **hourly rate** of \$45 per hour (10% discount for pensioners) will apply until this deposit has been expended. For later requests, the rate prevailing at that time will apply.
  - Work may be conducted in **stages**. At the end of each stage you will submit a report with your findings, source citations, and suggestions for further research if indicated. If I delay deciding whether to authorise further research, I will be charged for the time you spend re-acquainting yourself with the facts of the case.
  - This agreement takes effect when you accept this request. I understand that you may not be able to **commence work** on this request for about six months; and if you send a preliminary report sooner than that, it may still be about six months before I receive a second report. If I cancel a request, you will deduct costs already incurred (your time/expenses or minimum handling charge of \$15) and refund the balance of my deposit.
  - **I understand that it is my responsibility to supply all relevant information, including photocopies of certificates if applicable; and that if I fail to do so, work may be duplicated, time and money may be wasted, or relevant material may be missed.** I declare that I have supplied all available data including a list of sources already searched. I understand that if the details and/or source references are incomplete or inaccurate you may need to repeat some searches, and I will be charged for the time and costs; and that if I send email **attachments** larger than 0.1Mb without obtaining your approval in advance, download fees will apply.
  - I understand that restrictions apply to the purchase of some **certificates**, and you will advise me if necessary.
  - I understand that you can make no guarantees as to what information (if any) may be found, or what time may be involved, but you will work as efficiently and economically as possible.
  - **I will notify you immediately if my postal or email address changes.** If I fail to do so, funds in my account when you unsuccessfully attempt to contact me may be disposed of as you wish (*eg*, donation).
  - You will personally conduct research at Qld State Archives. Research elsewhere [*delete one*] may / may not be subcontracted to another researcher of your choosing if you are unable to do it yourself.
  - You will not publish any information from my request form and accompanying documents, or from your reports, without my written agreement. The only exception would be brief submissions to correct previously published errors.
  - If I distribute to others, or publish, any information taken from your report, I will report it accurately and include any qualifiers such as '*probable*' or '*possible*' accompanying a conclusion; and I will credit your report as the source thus: 'Research report by Judy Webster, <www.judywebster.gil.com.au>, [date], citing [*Archives reference*]'.  
**I will not reveal Judy Webster's email address by putting it on a Web page or in a mailing list / newsgroup message.** Instead I will refer interested parties to a Website or postal address.
  - I may make a limited number of personal copies as 'fair use' of the report, to which you retain **copyright**.
  - The entire agreement between us is contained in this 3-page Agreement plus your formal Acceptance by email or post. This Agreement supersedes all oral and written proposals and all prior communication.

  - Permission is granted for the main details of my research to be donated (should you so desire) to the Society of Australian Genealogists' Primary Records Collection or a similar repository, at my death or not less than 5 years from today, for long-term preservation. No access restrictions need be imposed unless specified here:
